Ambler Campus Parking Registration Form

Temple University employees and students that park vehicles, including motorcycles, on the Ambler Campus must purchase a parking permit and agree to abide by the following rules and regulations:

1) My permit must be displayed inside my vehicle, on the back of the rearview mirror. If you utilize multiple vehicles, the permit must be transferred to the vehicle being driven. Vehicles found without the appropriate registered permits are subject to citation and enforcement procedures.

2) If you require parking on the Main Campus, any current Ambler permit can be used at the Montgomery Garage, located at 1859 N. 11th Street (11th Street between Montgomery Avenue and Berks Street) on a Part-Time parking basis. Part-Time parking requires a deposit of funds into your parking account prior to use. Attempting to park at the Montgomery Garage without sufficient funds will result in the assessment of the hourly rate.

3) No overnight Part-Time parking is permitted at the Liacouras or Montgomery Garages.

4) The permit will be honored at assigned parking areas through printed expiration date.
