

Hello and welcome to Temple University or welcome back!

Temple University's Office of Parking Services provides affordable, convenient, and secure parking to the Temple community, and we look forward to having you as a customer!

Below are all the parking options available to you:

Semester Commuter Parking

Battersby Parking Lot is available for students looking for 5-day parking from 6:30 AM to 7:30 PM. These permits are \$180 per semester, and this price has been adjusted to reflect the shortened semester. Your permit will be mailed directly to your house. *Please review and update your primary mailing address in TUportal immediately. Failure to make necessary updates to your address will result in you not receiving your permit.*

Semester Overnight Parking

Carlisle West Garage is available for students looking for 24/7 access. These permits are \$300 per semester, and this price has been adjusted to reflect the shortened semester. Your permit will be mailed directly to your house. *Please review and update your primary mailing address in TUportal immediately. Failure to make necessary updates to your address will result in you not receiving your permit.*

Flex Parking

If you will not be on-campus full-time, you can opt for our \$10 per-entrance Flex parking, which will automatically be deducted from your TU Parking Account when you swipe in using your Temple OWLcard in the card reader. This is a temporary parking option until the University resumes normal operation. A complimentary permit is required in addition to Flex funds deposited on your Temple University ID card. Flex parking is valid 24 hours, five days a week. Carlisle West closes on Friday at 10:00 PM and reopens Monday at 5:00 AM. Flex parking does not provide a guaranteed parking space. Flex parking requires a deposit of funds into your parking account prior to use. Attempting to park at the Carlisle West Garage without sufficient funds will result in the assessment of the daily rate of \$20. Flex parking funds are purchased in multiples of \$10 (i.e. \$100 will get you 10 admittances). If you will be parking more than once a week, we strongly recommend you purchase monthly parking. **You will need to print out your temporary permit and display it on your dashboard.**

Trying to decide between Flex and Commuter Permits?

If you park on campus more than once a week, Semester Commuter Parking is the more affordable permit option.

Log in to [TU Parking Account](#) by using your AccessNet username and password to purchase your permit online. *Please note, all parking permits must be purchased online. There will be no in-office permit purchases due to the social distancing guidelines for COVID-19.*

[Watch How to Purchase Parking Online.](#)

To continue adhering to social distancing guidelines, we will not be accepting walk-ins at our office in the Fall. We are in the process of developing an appointment system where you can schedule an in-office appointment with us if your issue can not be resolved remotely. Please look out for additional information on this scheduling system in the coming weeks.

Follow us on social media for updates, road closures, contests, and more.

For more information on these parking options, please visit our [brochure](#).
