No ID Number

First Name Required

Last Name Required

Phone #

Email Required

Department

Start Date

Worker Type

Supervisor

Reset Form Cancel Continue

Select HZCM Hazard Communication

Select NEODENT Initial Safety Training for Dentistry

If you are prompted to complete the “Training Registration” form, it means that EHRs does not previously have you in their database. Your “Username” and “Password” allowed you to enter the Learning Management System; but the completion of the Training Registration form will create a profile for you in the database, along with a training history (after completing an online training(s). Please provide at least your TUID Number (ID Number field), First Name, Last Name, Phone #, E-mail address, and Supervisor (Principal Investigator).

Web Based Training Courses		
Drag a column header and drop it here to group by that column		
	Course #	Description ↑
Select	ABP	Airborne Pathogens
