

New Parking Rates Effective July 1, 2024

Dear Temple Community,

To support the ongoing maintenance and improvement of the university's parking facilities, Temple University will increase its parking rates effective July 1, 2024. Ambler's semester and yearly parking rates will increase by \$5, and some Main Campus rates will increase by up to \$2 per entry or day. Other rates will remain unchanged. Overall, these changes reflect a 2.5% increase, comparable to the rate of inflation and the increase in the cost of operating our parking facilities.

The [FY25 Parking Rate Changes](#) are available on the Office of Parking Services website.

If you would like to create a university parking account or update your existing account, you can do so by visiting [Parking Services](#). Campus parking maps and hours of operation for all parking facilities are also available.

Our goal continues to be safe, convenient, and affordable parking for the university community and its visitors. If you have any questions or concerns, please email parking@temple.edu or call the Parking Services office at 215-204-5301.

Sincerely,

Jonathan C. Reiter
